

Over Door Light with I/O

ZKRUNCORTKLMP20

ZKR

Designed to be used for situations where a separate lamp must be used for each bed in multi-bed areas. Light color can be 7 different hues based on call status.

- 7 colors (red, green, blue, cyan, yellow, magenta, white)
- Very low energy consumption thanks to environment-friendly LEDs
- Made of high quality PC-ABS-FR Raw Materials

Technical Specification

ZKRUNCORTKLMP20

Weight	56 g
Width	80 mm
Depth	33 mm
Height	80 mm
Light Type	LED
Operating Temperature / Humidity	-20°C +60°C / % 30 %80 RH
Raw Material	PC-ABS-FR
Operating Voltage	12V
LED Colors	Blue, Red, Green
Ports and Slots	2xRJ45 I/O
Color	White
